A Marie

US PTO Cust. No. 25280

Claims

What I claim is:

- 1. An airbag cushion comprising at least a first fabric blank and a second fabric blank connected together through the utilization of at least one seam, wherein said airbag cushion has a first end and a second end such that said first end is closed and said second end comprises a pocket opening for inflation canister disposition, wherein at least a portion of said at least one seam is in contact with both of said first end and said second end.
- 2. The airbag cushion of Claim 4 wherein said at least a portion of said at least one seam in contact with both said first end and said second end is substantially straight.
- 3. A vehicle restraint system comprising the airbag cushion as defined in Claim 1.
- 4. A vehicle restraint system comprising the airbag cushion as defined in Claim 2.
- 5. An airbag cushion comprising at least a first fabric blank and a second fabric blank connected together through the utilization of at least two seams, wherein said airbag cushion has a first end and a second end such that said first end is closed and said second end comprises a pocket opening for inflation canister disposition, wherein at least one of said seams is in contact with both of said first end and said second end.

- 6. The airbag cushion of Claim 5 wherein said at least one seam in contact with both said first end and said second end is substantially straight.
- 7. A vehicle restraint system comprising the airbag cushion as defined in Claim 5.
- 8. A vehicle restraint system comprising the airbag cushion as defined in Claim 6.
